The Dream Coach

By Anne Parrish (1888-1957)

The Dream Coach was named a Newbery Honor Book in 1925. Anne Parrish's original stories of dream adventures hold fairy-tale charm that is sure to delight young children, perfect for bedtime reading one chapter at a time. Her tales capture the surreal silliness and strangeness of the dream state and the way our minds slip into that realm without our awareness. There are a couple of phrases early on that betray the cultural insensitivity that used to be acceptable in children's literature in the U.S.
